

# West Horse Art Price List\* for Custom Portraits - February 2011

Thank you for your interest in my art. I work as a full time artist and your support is greatly appreciated.

I paint using acrylic paints on deep gallery wrapped canvas. The art wraps around the sides, top, and bottom of the painting, so there is no need for a frame, which saves you hundreds of dollars. If you know that you are going to want to frame your painting, let me know in advance, and I will use standard depth canvas.

Below are the prices for a custom portrait. I paint horses, horses with their people, dogs, cats -- you name it. Before I begin painting, we will discuss in detail your vision of your painting. If you are a fan of mine on Facebook, you will receive 10% off. Please be sure to mention that. To get started, simply email or call me.

I will typically decide on the shape of the canvas for you based on the composition, therefore, my pricing reflects more a general size of the canvas ---

**Small canvas sizes - \$250** (less than 200 sq. inches)

*Examples of small canvases: 12" x 12", 11" x 14", 10" x 20"*
